All Youth Sailors Must:

Come prepared with:

- Swimsuit - We will be in the water!
- Base Layer/Sun shirt/Rashguard (next to skin): think long underwear, great for warmth and sun protection. A shorty wetsuit is also nice, but not mandatory.
- Mid Layer (insulating): fleece sweater or vest.
- Outer Layer (rain coat): wind/rain proof.
- Head: snug fitting hat or visor, sunglasses with retaining strap.
- Feet: we sail barefoot on the beach.
- Sunscreen - Crucial!
- Beach Towel
- Drinks. Please send your camper with a water bottle. We can refill as needed.
- Snacks. Be sure to pack a snack in addition to eating a solid breakfast.

Jr Sailing Code of Conduct:

Sailors will be held to a code of good conduct. Respect for fellow sailors, safety, equipment, and the facility are paramount. When behavioral problems occur, every effort will be made to resolve the problem. If the behavioral problem is repeated or is serious, we will contact a parent/guardian and work toward a resolution. Sailors expelled for behavioral problems will not be allowed into future sessions.
