Notice of Race
White Rock Race
2023

Presented by Sandpoint Sailing Association

This race is an SSA classic. Starting from just outside the Windbag you will make your way to a single mark just north of the train trestle, then from there navigate your way all the way to the Fisherman's Islands, around the Islands, and then sail your way all the way back to the start finish line. Bring plenty of snacks and refreshments for this race.

Date: June 17, 2023

Location: North end of Lake Pend Oreille, off city beach area and outside the no wake zone, out to Fisherman's Islands.

Classes:

- PHRF

Rules: This race will be governed by the rules as defined in *The Racing Rules of Sailing 2021-2024* unless otherwise specified.

Schedule:

- 11:00 PM – Skippers meeting at Fred's deck
- 12:00 PM start
- No finishes after sunset

Courses: From just east of the Windbag there will be a gate that services as the start finish line. Following the start, there will be buoy placed to the north of the train trestle that acts as a "gybe" mark. Once sailors have rounded the mark the next objective is to sail around Fisherman's, note that you **CAN NOT** sail between the islands. You must go around both. **WARNING** the northeast side of the northern island has shallow waters. It is recommended that you sail between the island and the no wake buoy that is stationed. That water is safe and navigable. Once you have rounded both island, it is a race to the finish line. Upon crossing the finish line sailors are to record their total race time for scoring.

Notice of Race
Helen Gloor Moonlight Race
2023

Presented by Sandpoint Sailing Association

This is another SSA classic. Named in the memory of Helen Gloor, this fun social event paired with a unique race experience is the highlight of many sailor's summer. Sailors will make their way out to Fisherman's Islands where they will raft up and enjoy a potluck style cook out. Following the raft up, right around sunset, sailors will then begin the self-timed race back to the windbag in the dark. Remember to check your batteries everyone as you will need to have your Navigation lights on!

Date: July 22, 2023

Location: North end of Lake Pend Oreille, off city beach area and outside the no wake zone to the North side of the Fisherman's Islands.

Classes:

- PHRF

Rules: This race will be governed by the rules as defined in *The Racing Rules of Sailing 2021-2024* unless otherwise specified.

Schedule:

- 5:00 PM Raft up social at Fisherman's Island – No skippers meeting
- Race begins right around sunset

Courses: Upon an unconventional "ready, set, go!" start out at the islands, sailors will have to navigate their way back to the Windbag Marina. There will be lights fixed to two of the no wake buoys that represent the finish line. Sailors are responsible for keeping their own time. Remember to get your running lights in working order, as this race occurs in the late evening and has the potential to go well into the night. There are no marks sailors must round, just a straight shot home from the islands.
